Rules and regulations for election of Executive Committee of Alumni Association of GECNIT, Raipur

1. Every candidate can get the list of members of the Alumni Association of GECNIT, Raipur by paying the required fee to the Association Office.
2. Every member can vote for every post only once. Using the choice of vote more than once for any post will make the vote invalid. Such votes would not be counted.
3. Only the designated seal of the Election Officer shall be used for marking the choice on the ballot. Any sign other than the designated seal will make the ballot invalid.
4. Only the clear votes shall be counted. Such votes for which there is doubt about the choice of the voter shall be invalid and would not be counted.
5. The allotted time for voting shall be from 10 am to 2 pm according to the clock of the Election Officer. The ballot box shall be sealed between 9 am to 9:30 am. Interested candidates or their authorized representatives may be present during the sealing of the ballot box.
6. During the election process only the officials responsible for the election process or one of their authorized representatives may be present at the election venue and the prohibited area surrounding the election venue as fixed by the Election Officer.
7. The candidates or their authorized representative cannot enter the polling booth. They shall monitor the proceedings from a place decided by the Election Officer and can raise their objections to be resolved by the Election Officer or his/her representative.
8. Five minutes before the schedule time of the voting process, i.e., at 1:55 pm the Election Officer shall distribute the tokens to the voters present in the premises of the polling booth. All the voters reaching the polling booth between 1:55 and 2:00 pm shall be given these tokens. After 2:00 pm only voters having the token distributed by the Election Officer shall be allowed to cast their votes.

9. The ballot box shall be sealed immediately after the end of the voting process, i.e., after all the willing voters having valid tokens have casted their votes.
10. The counting of ballots shall be done at the venue and time fixed by the Election Officer.
11. During the counting of ballots the candidate or his /her representative can be present in counting venue but they cannot give any suggestions or create any disturbance or interfere with the counting process.
12. If any candidate is desirous of maintaining any account of the ballot counting he / she should arrange the required material.
13. Counting of the ballot shall be done incessantly from start to finish.
14. All the doors of the counting hall shall be closed and no candidate or representative shall be allowed to go out or come inside the hall after the start of the counting process. Hence all the candidates or their representative shall take their seats five minutes before the start of the counting process inside the counting hall.
15. Right to modify or change the election process or the counting process summarily rests with the Election Officer and decision of the Election Officer shall be binding on all.
16. All the candidates and their authorized representative are requested to offer their full-fledged support for the smooth conduction of the election and counting process.
